

# 2024 Edgartown Regatta Tips

## Where do I keep my boat?

There are essentially two choices:

- **Anchoring** in the outer harbor (North of Chappy, East of Chappy Beach Club)
  - Bring your own ground tackle! This area is free with decent holding ground. Reasonably well protected except in a NE wind. During those times, the harbormaster usually opens Katama Bay (past the inner harbor) for mooring until the NE wind ceases.
  - Both Oldport Launch (fee) and EYC launch (free) provide access. (Oldport will provide “free” service if you have an EYC Regatta wristband.) Note that launch drivers generally expect a tip for service.
- Town rental **mooring**
  - \$45/night with an additional \$20/night if you want to raft a second boat. Mooring registration opens on March 4<sup>th</sup> at 08:00 EST. Moorings are rented through Dockwa (<https://dockwa.com> or download their App). We suggest you set up an account in advance, so you don’t have to deal with that when moorings open. They do go fast!
  - Both Oldport Launch (fee) and EYC launch (free) provide access. (Oldport will provide “free” service if you have an EYC Regatta wristband.)
- Harbormaster: VHF 74
- Oldport Launch VHF68
- EYC Launch: VHF 72

When sailing in the inner Harbor, please remember the Chappy Ferry ALWAYS has the right of way. They do their best to not interfere too much with boats under sail, but they ALWAYS have the right of way.

## Regatta Registration:

Regatta registration usually opens in the early Spring. A link will be provided on the Wianno Senior website when registration is open.

**Accommodations:**

Many sailors choose to “commute” from the Cape due to the high cost of lodging, but others enjoy the time on the island and make a mini-vacation out of the trip. Some local lodging facilities are listed below. Most are within walking distance of the Edgartown Yacht Club.
